BFMS	8:30	10:30	Our instruction is broken into 4, 30 minute instructional blocks. Students will have Health Art or Music 2 days a week and PE the other 2 days. Thus they have 1 "special" every day. Fridays we will have student meetings by grade level (starting at 8:00) followed by teacher office hours, band lessons etc. We are starting earlier because I would like to be done with our 4 meetings by 9:15 so I can make it to BFMS for meal distribution by 9:45.
BFUHS	9:10	2:45	Note: This is not continuous direct instruction or continuous engagement. The time is broken into four block of instruction, the instruction happens in the first half of the block, with extra help in the second half, as needed by the students. This also includes at stretch fo time for lunch.
